

Our Ref YBE / OAR / SEP 17

25th September 2017

Dear Parent/Carer,

As part of our French enrichment programme, we are offering Year 10 students intervention sessions every Wednesday to work on all the skills and vocabulary necessary to reach their target grades. Those sessions are invaluable to fill gaps in knowledge and work on areas that need improving for the examination.

We hope that you will support this by ensuring that your son/daughter attends those sessions wherever possible. Thank you for your ongoing support.

Yours faithfully,

Yannick Berland
Head of Languages
